

# ANNUAL OPERATING BUDGET

OCTOBER 1, 2015 TO SEPTEMBER 30, 2016 In compliance with S.B. No. 656; SECTION 1. Section 102.007, Texas Local Government Code, the following information is included as the cover page for the City of Magnolia budget document:

# This budget will raise more revenue from total property taxes than last year's budget by \$71,618 which is a 9.1% increase from last year's budget. The property tax revenue to be raised from new property added to the tax roll this year is \$36,043.

A record vote was conducted of the City Council on August 28, 2015 for approval of an ordinance adopting the City of Magnolia 2015-2016 Fiscal Year Annual Budget as follows:

City Council	Aye	Nay	Absent
Anne Sundquist, Position 1	X		
John Bramlett, Position 2	X		
Rick Carby, Mayor Pro Tem, Position 3	X		
Brenda Hoppe, Position 4	X		
Jonny Williams, Position 5	X		

The municipal property tax rates for the preceding fiscal year, and each municipal property tax rate that has been adopted or calculated for the current fiscal year, include:

Tax Year	2015	2014	
Fiscal Year	2015-2016	2014-2015	
Proposed Rate	\$ 0.4629	\$ 0.4629	
Total Adopted Rate	\$ 0.4629	\$ 0.4629	
Adopted Operating Rate	\$ 0.1972	\$ 0.2426	
Adopted Debt Rate	\$ 0.2657	\$ 0.2203	
Effective Tax Rate	\$ 0.4243	\$ 0.4427	
Effective Operating Rate (M&O)	\$ 0.2224	\$ 0.2224	
Maximum Operating Rate (M&O)	\$ 0.2401	\$ 0.2426	
Debt Rate (I&S)	\$ 0.2657	\$ 0.2203	
Rollback Rate	\$ 0.5058	\$ 0.4629	

The total amount of outstanding municipal debt obligations (principal & interest) is as follows:

Type of Debt	Total Outstanding Debt	Current Year Debt
Property Tax Supported	\$16,054,938	\$ 597,075
Self-Supporting	\$ 5,213,369	\$ 545,420
Total Debt	\$21,268,307	\$1,142,495

## Welcome!

This City of Magnolia, Texas annual budget is for the fiscal year beginning October 1, 2015, and ending September 30, 2016. This budget has been specifically prepared to help you, the reader, learn of the issues affecting the Magnolia community. Many people believe a city budget is only a financial plan. Although you can learn a great deal about the City's finances from these pages, the FY 2015-2016 budget document has been designed to serve other functions as well. For example, it is a policy document that presents the major policies which guide how the City is managed. It is an operations guide which gives the public, elected officials, and City staff information pertaining to the production and performance of individual City operations. The budget is designed as a communications device in which information is conveyed verbally and graphically that should be easily understood even by persons unfamiliar with the City.

#### THE BUDGET FORMAT

The budget is divided into three major sections: Introduction, Financial/Operational, and Supplemental Information. The Introduction section contains the Mayor's letter and explains major policies and issues which affected the development of the fiscal year budget. This section also includes the City's organization and staffing charts and the summary of major budget items.

The Financial/Operational section describes various aspects of the City's organization. This information is grouped first by fund and then by department. Like many local governments, the City uses the fund method of accounting. Simply stated, a fund is a unit of the City which tracks the application of various public resources. For example, the Enterprise Fund is established to account for the revenues and expenses of the City's water and sewer operations. Most people are particularly interested in the General Fund which is comprised of most of the City's operations such as Police, Municipal Court, Streets, and Parks. Financial statements, including the adopted FY 2015 budget are presented for every fund. The statements show the fund's financial condition over a number of years. Similar to the checking account statement you receive from your bank, the statement shows beginning balances, revenues, expenditures, and ending balances for each year. Each fund statement shows the actual audited amount from the previous fiscal year, or for this document, the fiscal year 2014 actual. The ending balance of the actual year becomes the beginning balance of the projected current fiscal year, FY 2015. The projected column reflects estimated amounts compared to the amounts included in the adopted budget for the current year. The projected ending balance of the current fiscal year then becomes the beginning balance for the projected FY 2016 budget year. Accompanying the statements are narratives and graphs which describe the major features of that particular fund. Within each fund there may be one or more departments which further describe a component of the City's organization. Each department's presentation includes a mission statement, accomplishments for the previous fiscal year, and operational objectives for the upcoming year. Selected service levels for each department are presented graphically. The funding for each department, as well as the unit's staffing, is summarized over a number of years.

Finally, Supplemental Information is included regarding property tax and ordinances, the budgeting process/calendar, financial policies, major revenue sources, and the long-term comprehensive plan for the City. Also included is a glossary of terms.

# **INTRODUCTION**

To Our Magnolia Residents:

For the sixth year I take great pride in presenting the attached City's operational budget. I would like to bring to your attention some of our accomplishments incorporated in the fiscal year 2015/2016 budget.

Again, 2015 has proven to be a positive year financially for the City. Sales tax revenues were modestly increased by 8.5%, and our departments continued to be frugal in their spending. As a result, we expect to see an increase in our general fund balance based on our projections.

Magnolia's local economy has improved. Housing growth continues in Magnolia Ridge, and several other developments are programmed to start this coming year. The City retail spaces are at approximately 94% capacity with additional businesses on the horizon, to include HEB in the next year or so.

Our main street project was completed, with some final touches on striping to be finished within the next month or so. This has given downtown Magnolia a whole new look with two traffic lanes in each direction and a turn lane. On the east side of town, TxDot has started the FM 149 railroad overpass. The SH 249 Aggie Expressway is under construction south of Tomball and is scheduled to start in Montgomery County late 2015. SH 249 will run from Beltway 8 north to Hwy 6, and Navasota to College Station. The plans for the SH 1774 railroad flyover just past 1488 are complete, and the contracts are expected to be let early 2016. This will improve the traffic at the 1774/1488 intersection.

The City of Magnolia continues to refine and implement a Strategic Plan, with the annexation completed out to Spur 149, with the projected annexation of another 119 acres into the city limits. The water and sewer contract for the trunk line out to Spur 149 has been let, and construction is expected to be completed by next August. The City of Magnolia has made a strong showing in financial management and received an upgrade to an (AA) rating from STANDARD AND POOR'S. We also implemented a new contract that has reduced the City's electric bill by approximately 75% from what we paid five years ago. The City has completed the plans for a 2-million-gallon-a-day sewer plant to be located in the vicinity of our current sewer plant. In addition, to insure that we keep good employees, we have included a 3% cost of living adjustment ("COLA") for most employees which will marginally help them with the increased cost of living.

I am pleased with the financial condition of the City and I attribute the conditions to the actions of a strong City Council, good leadership and a truly dedicated City staff. The balanced budget does not require any additional taxes. This makes the sixth year running without a tax increase, while still maintaining the high service level that our citizens enjoy. Our employees are truly committed to public service and we, as elected officials, can be truly proud of their performance.

Mayor Todd Kana

## **Fast Facts**

Magnolia, Texas is located in southwest Montgomery County, nationally ranked as 13<sup>th</sup> in growth in the state. A short drive from Houston, Magnolia is poised for expansion with the arrival of the SH 249 Toll Way and major corporations like ExxonMobil moving into the area. At the crossroads of progress, Magnolia is still a place where neighbors help neighbors—a place to call home or grow your business.

## **Demographics:**

#### Population/Income -

2015 Population – 1,539 inside city limits/138,000 in trade area 2018 Population projection – 1,758 inside city limits/2.70% growth rate

Median age: 38.4

Median household income: \$73,014 inside city limits/\$82,000 in trade area

## City Size & Taxes -

City size in square miles: approx. 4 square miles Property tax rate (2014): \$0.4629 per \$100 valuation Property tax rate (2015): \$0.4629 per \$100 valuation

Sales tax collected for FY 2014-15: approximately \$2.5 million

#### Housing -

Median home value in trade area: \$224,795 Permit valuation added in fiscal year 2013-14: \$14.3 million Residential \$10.2 million Non-residential \$3.2 million

#### Education/Labor Force -

Bachelor's Degree or higher 21.7%
High school diploma or higher 82.9%
White collar workers 72.4%
Blue collar workers 27.7%
Job growth rate 2.96%
Number of universities within an hour's drive – 4
Number of colleges/universities within an hour's drive – 15

#### **Key Regional Industries -**

Construction
Engineering services
Business consulting services
Medical and specialized hospitals
Production, transportation, material moving
Pipe & other metal manufacturing
Educational services

# **History and General Statement:**

The City of Magnolia, Texas was incorporated under the laws of the State of Texas on October 15, 1968. The City operates under a "General Law" City which provides for a "Mayor-Council" form of government. The City provides the following services: general government, public safety, public works, water services, and sewer services.

The main goal of the City is to maintain a small town atmosphere and to provide quality services to its citizens. Residents are protected and secure, care about their neighborhoods and are proud of where they live, work and play. Magnolia, Texas is one of the fastest growing communities in the nation. With the support of Magnolia's Area Chamber of Commerce promoting the community and its businesses by enhancing commerce, tourism and beautification opportunities, the City will continue to meet the needs of established and new businesses. Continued maintenance of adequate reserves will allow the City to respond should there be unfavorable changes in economic conditions in the future.

#### **Financial Reporting**

The City is an independent political subdivision of the State of Texas governed by an elected council and is considered a primary government for financial reporting purposes. The City has two discrete component units: Economic Development Corporation (4A) and Community Development Corporation (4B).

The City uses funds to maintain its financial records during the year. Funds may be considered as operating companies of the parent corporation, which is the City of Magnolia. They are usually segregated for specific activities or objectives. The City of Magnolia uses fund accounting to ensure and demonstrate compliance with finance-related legal reporting requirements. The two categories of City funds are governmental and proprietary.

Governmental funds are those funds through which most governmental functions typically are financed. The measurement focus of governmental funds is on the sources, uses and balances of current financial resources. Expendable assets are assigned to the various governmental funds according to the purposes for which they may or must be used. Fund liabilities are assigned to the fund from which they will be liquidated. The City reports the difference between its governmental fund assets and its liabilities and deferred inflows of resources as fund balance.

Governmental fund financial statements are reported using the current financial resources measurement focus and are accounted for using the modified accrual basis of accounting. Under the modified accrual basis of accounting, revenues are recognized when susceptible to accrual; i.e. when they become both measurable and available. "Measurable" means the amount of the transaction can be determined and "available" means collectible within the current period or soon enough thereafter (30 days) to be used to pay liabilities of the current period. Expenditures are recorded when the related fund liability is incurred. The revenues susceptible to accrual are property taxes, franchise fees, licenses, charges for service, interest income and intergovernmental revenues. Sales taxes collected and held by the state at year-end on behalf of the government are also recognized as revenue. All other governmental fund revenues are recognized when received. Unearned revenue arises when assets are recognized before revenue has been received or recognized.

The City has presented the following major governmental funds:

General Fund – The General Fund is the main operating fund of the City. This fund is used to account for all financial resources not properly includable in other funds. The principal sources of revenues include local property taxes, sales and franchise taxes, licenses and permits, fines and forfeitures, and charges for services. Expenditures include general government and public safety.

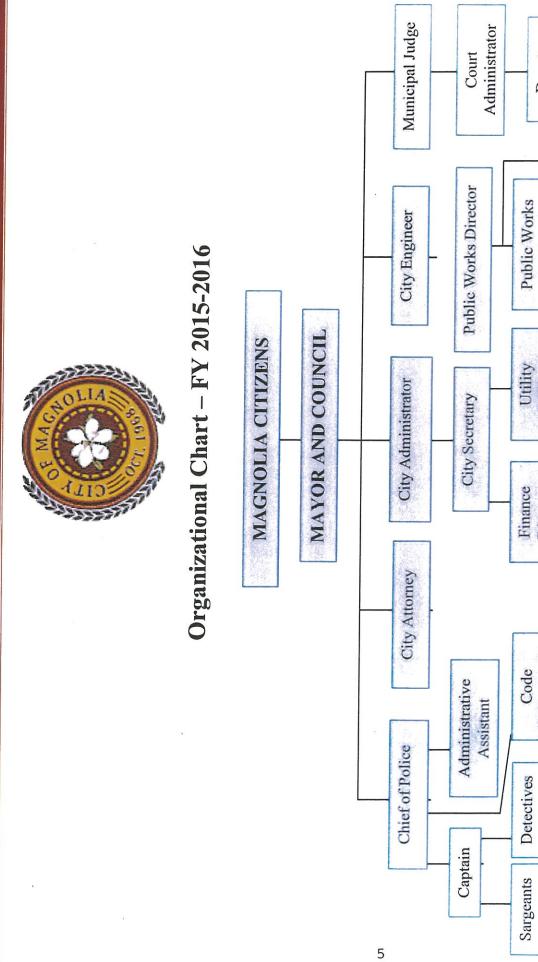

Debt Service Funds – The Debt Service Funds are used to account for the accumulation of funds for the periodic payment of principal and interest on all general obligation bonds and other long-term debt of governmental funds.

Capital Projects Fund – The Capital Projects Fund is used to account for expenditures of resources accumulated from the sale of bonds and related interest earnings, contributed capital or transfers from other funds, other than those recorded in the enterprise funds, for acquisition of capital facilities.

Special Revenue Funds — The Special Revenue Funds are used to account for the proceeds of specific revenue sources (other than expendable trusts and major capital projects) that are legally restricted or designated for specified activities. The City has two such major funds — the HB445 fund and the Red Light Camera fund. The HB445 fund is used to account for the receipt and expenditure of funds received from additional sales tax within the City. The Red Light Camera fund is used to account for the receipt and expenditure of funds received from the red light camera violations. Both of these special revenue funds are considered non-major funds for reporting purposes.

**Proprietary funds** are accounted for using the economic resources measurement focus and the accrual basis of accounting. Under the accrual basis of accounting, revenues are recognized when earned, including unbilled water and sewer services which are accrued. Expenses are recognized at the time the liability is incurred. Proprietary funds are used to account for activities that are similar to those often found in the private sector. All assets, liabilities, equities, revenues, expenses, and transfers relating to the government's business activities are accounted for through proprietary funds. The City presents the following major proprietary fund:

Enterprise Fund – The Enterprise Fund is used to account for the provision of water, wastewater, and sanitation services to the residents of the City. Activities of the fund include administration, operations and maintenance of the water production and distribution system, and wastewater collection and treatment systems. The fund also accounts for the accumulation of resources for and the payment of long-term debt, principal and interest. All costs are financed through charges to utility customers with rates reviewed regularly and adjusted if necessary to ensure integrity of the fund. The proprietary fund budget provides separate information for the water distribution fund and the wastewater collection/treatment fund.

# **GENERAL FUND**

#### General Fund

## **Fund Description**

The General Fund accounts for resources traditionally associated with governments which are not required to be accounted for in another fund.

#### Fund narrative

During the budget process, most of the time is dedicated to working on the General Fund. It is this fund that reflects most of the critical issues affecting the community, including establishing a tax rate and determining staffing levels and benefits.

#### Financial Performance for FY 2015

Ending Fund Balance in the General Fund for FY 2015 is projected to be \$459,837. This is \$94,841 or 26.0% more than budgeted. Revenues (including intra-fund transfers) for the current fiscal year, budgeted at \$2,714,101, are expected to come in approximately \$633 more than budgeted. Increases in sales tax and franchise tax were offset by a large decrease in court revenues.

Operating expenditures for FY 2015 are projected to come in approximately \$186,192 or 7.2% under budget. All departments other than Public Works and City Secretary are expected to end the year under the original budget in expenditures.

#### 2015/2016 Budget

#### Revenues

Revenues are budgeted at \$2,694,153 which is \$19,948 or approximately 0.7% less than last year. This decrease is primarily due to property tax, license and permit fees, and court revenue decreases. And even though we had increases in sales tax and franchise tax in FY 2015, we budgeted fairly conservatively for the coming year due to uncertainties in the economy, especially the oil and gas industry.

#### **Expenditures**

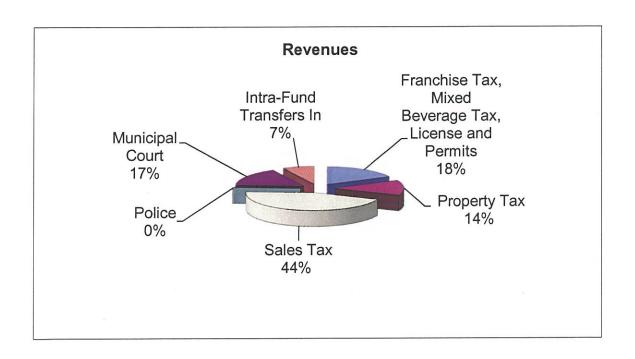

The budget for operating expenditures for FY 2016 is \$2,527,851 or 2.6% less than the adopted budget for FY 2015. Included in the budget are 3% salary adjustments for all employees except those in the Police Department, who received salary adjustments to make their wages more comparable with other area municipalities. Health insurance costs decreased substantially due to a change of insurance carriers and changes in coverage. Expenses decreased from the prior year budget in all major categories except Capital Outlay.

# **ADMINISTRATION**

# <u>Administration Department</u>

#### **Department Mission**

To represent the Mayor and Council in a courteous, professional and efficient manner and still maintain a small-town atmosphere and to provide quality services to the citizens of Magnolia

## **Program Narrative**

The Administration Department oversees the day-to-day operations of the City by setting goals and objectives for the City staff and serving as a liaison between the City Council and the staff and the citizens of Magnolia. The City Administrator also coordinates the City's goals and operations with other governmental entities, agencies and organizations. The department strives to preserve a unique atmosphere and quality of life while cultivating a dynamic economic development for all of the residents of Magnolia.

#### Accomplishments for FY 2014-2015

- Continued to increase the size of the City by adding parcels of land through annexation
- Oversaw preparation of FY 2015-16 Annual Budget
- Continued the improvement of City's reserve funds
- Prepared the State of the City presentation for the Mayor
- Upgraded the City rating to AA with Standard and Poor's

### Objectives for FY 2015-2016

- Continue to improve fiscal integrity of City finances
- Maintain customer–friendly attitudes by all employees
- Review department staffing and procedures to improve efficiency
- Continue to monitor and improve interoperability and cross training
- Pursue professional education opportunities for the staff
- Work with HR to create and improve employee job descriptions with a pay range for each position
- Continue to improve the level of customer service provided to both citizens and external customers

#### Goals for FY 2015-2016

- Oversee development of additional financial written policies, i.e. capital improvement policy, debt policy
- Development of ordinances to support future zoning
- Strive to attract both commercial and residential development to Magnolia
- Improve the City's level of transparency on funds and all activities

# Permit Department (Administration)

#### **Department Mission**

The primary mission of the Permits Department is to enhance the quality of life for all citizens of Magnolia by providing for their health, safety and welfare through the effective and efficient administration and enforcement of the Texas State Building Code and applicable local ordinances.

#### **Program Narrative**

The department processes permit applications, collects associated fees, reviews construction plans, schedules inspections, tracks permit and inspection data and inspects for code compliance.

#### Accomplishments for FY 2014-2015

- Completed inspections within one business day
- Completely restructured the rolled plan filing system
- Successfully enforced annual sign renewal fees
- Successfully enforced annual alarm renewal fees

#### Objectives for FY 2015-2016

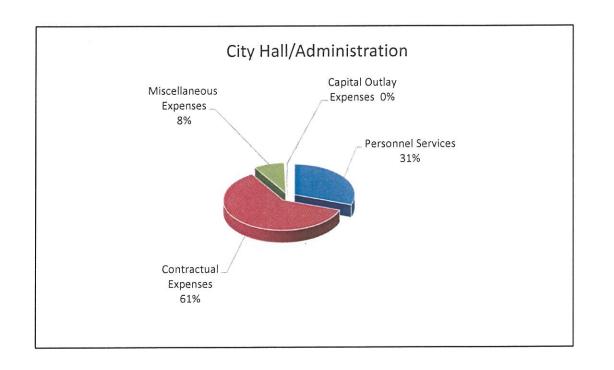

- Ongoing training on International Building Codes for our inspector
- Ensure that all work done within the city limits has proper permitting

#### Goals for FY 2015-2016

- Maintain or improve inspection turnarounds
- Continue to provide excellent customer service
- Train our new code enforcement officer
- Ensure the construction and maintenance of safe residential and commercial structures

# **CITY SECRETARY**

# City Secretary

### **Department Mission**

The primary mission of the City Secretary is to maintain the official records of the City for historical preservation and provide support services and information to citizens, council members, and City staff in an effective and efficient manner.

### Description

- Upholds the integrity of public service by providing professional assistance and direction in a fair and timely manner.
- Prepares, publishes, records and maintains city records to include Council agendas, minutes, ordinances, resolutions, deeds, contracts, agreements, easements, and other legal documents in accordance with policies set by Council, Code of Ordinances and laws of the State.
- Serves as Election Administrator for municipal elections; coordinates as contracted with Montgomery County for all City elections.
- Coordinates the Council agenda process, attend meetings, record and prepare official minutes.
- Serves as Records Management Officer and administers and coordinates organization-wide records management program
- Posts and publishes all legal notices in accordance with the Texas Local Government Code, Texas Open Meetings Act, City Codes and all other State laws.
- Ensures the codification of ordinances adopted by Council.
- Serves as Public Information Officer and Chief Custodian of Records.
- Attends all meetings of City-related boards and commissions, to include coordination and preparation of all agendas, minutes, resolutions, contracts, agreements, and any other legal documents in accordance with set policies, Code of Ordinances and laws of the State.
- Provides leadership, assistance and guidance for other administrative departments.
- Maintains City website.

#### Accomplishments

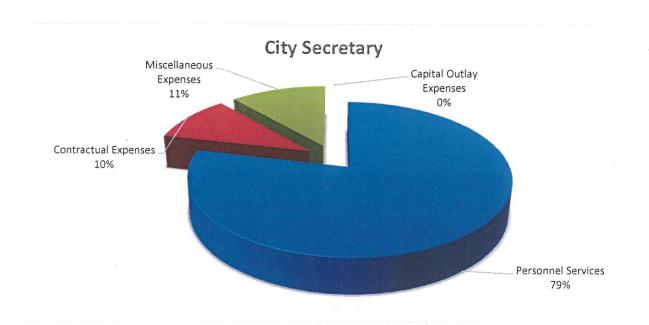

- Constantly updating the City's website.
- Continually updating applications and forms used in the Permit/Utility Billing Dept.
- Ensured compliance of operating budget for the City Secretary Department.
- Completed extensive inventory and destruction of municipal records.
- Coordinating fourth code supplement for the City's Code of Ordinances.
- Continuing coordinating an index for all City ordinances.
- Provides information and documentation in a timely and efficient manner and in accordance with State and federal laws.

#### Goals

- Continue to organize and improve the maintenance and retention of records.
- Continue to coordinate an index for all City ordinances.
- Continue to improve the records retention program and assist other departments.

# **FINANCE**

## Finance Department

#### **Department Mission**

To ensure responsible oversight of the City's budget, investments, financial transactions, debt service, financial reporting and audit; and to support the City in meeting its goals through its most valuable resource—its people!

#### **Program Narrative**

The Finance Department is responsible for the day-to-day processing of financial transactions to ensure that municipal finances are maintained in an effective, up-to-date and accurate manner, complete payroll functions in order to ensure staff are paid in an accurate and timely manner, handle all human resource functions and provide administrative support in order to ensure effective and efficient office operations.

#### Accomplishments for FY 2014-2015

- Received the Transparency Award from the Texas Comptroller
- Delivered monthly financials to Council and staff by the 5<sup>th</sup> working day of the following month 100% of the time
- Prepared and distributed vendor checks in a timely and accurate manner
- Provided accurate payroll processing, along with quick responses to employees' payroll questions
- Assisted departments in recruiting efforts
- Implemented new employee health insurance plan
- Completed the modification of all job descriptions to ensure the most accurate information related to job duties and ADA requirements

#### Objectives for FY 2015-2016

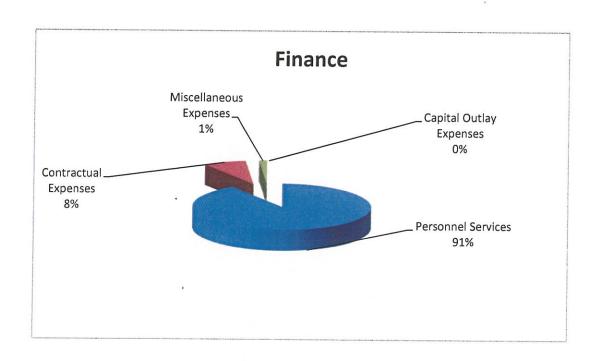

- Continue to receive Transparency Award from the Texas Comptroller
- Continue to deliver monthly financials to Council and staff by the 5<sup>th</sup> working day of the following month 100% of the time
- Continue to improve the level of customer service provided to both internal and external customers

#### Goals for FY 2015-2016

- Become a more efficient finance department by reducing/eliminating some of the paper-based processes
- Modify personnel policy handbook
- Develop additional financial policies, i.e. capital improvement policy, debt policy

# **POLICE**

# MAGNOLIA POLICE DEPARTMENT Budget Narrative FY 2015-2016

### **VISION**

The Magnolia Police Department is committed to enhancing the safety and security of our citizens by providing effective, efficient, law enforcement and promoting community partnerships.

#### **MISSION**

The Mission of the Magnolia Police Department is to enforce state, federal, and local laws within the framework of the constitution and by doing so, we solicit the involvement of the community to assist in holding accountable those that commit crimes.

#### **VALUES**

### Quality Service

We produce the most distinguished level of excellence and strive to continuously improve our law enforcement services

### Respect

We treat each other and the public we serve with the utmost respect in all interactions

### Integrity

We are committed to being transparent and making the right decisions for the right reasons

#### Teamwork

We sustain an environment that respects individual opinion while building consensus to a common goal

#### Creativity

We encourage fortuity in order to try new approaches and experiencing new ideas

#### Accountability

We take responsibility and ownership in what we do and do the job right

#### Leadership

We inspire others to achieve their goals by leading from the front and by example

### Program Narrative

The Magnolia Police Department maintains a philosophy of community-policing to promote and facilitate input and interaction with the public. Officers respond to almost 10,000 calls for police service annually, ranging from minor incidents to serious crimes in progress. The Department produces an annual report, which is published and available for view online at the City of Magnolia homepage, under police department.

Conducting research is simply not enough, as agencies must be proactive in their efforts to push cumulative research evidence into practice, utilizing national and community guidelines. These guidelines help adjust our focus and evaluations of what works best. Statistical adjustments for the risk factors shaping crime can provide fair comparisons across police units, including national rankings of police agencies by their crime prevention effectiveness. The Annual Calls for Police Service are on a steady rise, which necessitates an Evidenced-Based professional Performance Measurement System, which is disclosed in this narrative.

### Accomplishments for FY 2014-2015

- The Magnolia Police Department was named the Top Driving While Intoxicated (DWI) agency in Montgomery County, being recognized by the Montgomery County District Attorney's Office and Mothers Against Drunk Drivers (MADD) for our proactive approach in combating impaired and distracted drivers.
- In an effort to continue our partnership with our community, MPD participates with the Greater Magnolia Chamber of Commerce in recognizing first responders for their hard work and dedication to public safety. With this partnership, several officers of MPD have been recognized by the Chamber as first responders of the quarter.
- Texas Municipal Court Education Center, named the Magnolia Municipal Court and Police Departments as recipients of the Best Practices Award.
- The Police Reserve program and the Volunteers in Police Service Citizen on Patrol program saved taxpayers approximately \$27k (year-to-date) in actual manpower hours.
- Initiated an automated telephone calling system for Magnolia warrants.
- Matching grant from the TxDOT DWI Regional Task Force Initiative.
- Click it or Ticket Grant
- Alive at 25 Traffic Defensive Driving course instructors certified through the National Safety Council and Texas Education Agency.
- Website resource portal for various federal, state and local service providers.
- Online UCR reporting system
- DWI MADD Award
- Montgomery County District Attorney's Top Agency Award

### Narrative to explain Goals and Objectives for FY 2015-2016

To ensure and track the program goals, each has an attending objective. The Magnolia Police Department utilizes a Performance Measurement System, which establishes baseline performance utilizing a categorical metrics system. This measurement system was designed to increase community satisfaction and trust in the police. A system that produces information for citizens regarding the workings and results of their law enforcement agency makes the police department more accountable, and lets citizens assess whether the agency is making good use of public funds.

A comprehensive performance measurement system improves effectiveness and efficiency by setting specific goals and objectives that are consistent with what our community believes we should produce. This system links key accountability structures within the department and produces behaviors on the part of personnel at all levels, which are geared toward the achievement of the goals and objectives.

The System formalizes overarching goals, provides scientific measurements to assess progress toward meeting these goals, and structures initiatives to promote behavior in accordance with goals. The Performance Measurement System emphasizes the collection and analysis of data on a broader range of performance outcomes beyond the usual outcome of reducing crime.

There are three major components of our comprehensive agency-level performance measurement system: (1) performance expectations, (2) measures, and (3) accountability structures.

#### 1. Performance expectations

Performance expectations are further divided into three major law enforcement outcomes: Community Safety and Security; Perceptions of Safety and Security; and Confidence, Trust and Satisfaction.

Also included are intermediate safety and security outcomes: Respond to Crime, Prevent Crime, and enhance Safety and Security. The ultimate outcome is community health. The major outcomes are the things law enforcement should be "producing" for their community; therefore, they are the key dimensions on which we should be measured.

The intermediate safety and security outcomes are directly related to the first major law enforcement outcome, Community Safety and Security. Responding to crime, preventing crime, and otherwise enhancing safety and security (e.g., promoting traffic safety) are necessary objectives to be met in order to achieve a safer and more secure community.

#### 2. Measures

In addition to performance expectations, we gauged our progress toward meeting the performance expectations (outcomes). This data was used towards strategic planning for future years in terms of allocating resources towards their most pressing concerns: helping reduce citizens' fear of crime.

### Measuring community safety and security

The measurement for performance expectation includes information on victimization of community members and businesses. Also included in this list are measures that relate to traffic safety. Traffic-related issues (e.g., speeding in residential neighborhoods) are of significant concern to many people and clearly impact the safety of a community. In fact, traffic infractions are sometimes more of a concern for residents than criminal activity. The measurement information includes items such as incidents of crime, police activity, and insurance claims.

### Measuring perceptions of safety and security

Our measures of community perception of safety and security are organized according to "fear of crime" and "disorder." The disorder measures are also further divided into social and physical disorder. The former are behavior-related and may include trespassing, public drunkenness, or loud parties. The latter is based on the appearance of the environment and can include abandoned buildings, graffiti, and trash.

### Measuring confidence, trust, and satisfaction

Measures for this expectation are divided into three groupings – confidence in the police, trust in the police, and satisfaction with the police. Survey and non-survey items were developed for all three of these areas.

## Measuring community health

Law enforcement has a potential impact on median price of homes (which is correlated to the amount of crime in an area) and the number of nuisance properties. The scope of our data search was gathered from a variety of non-traditional sources. In discerning community health measures, law enforcement conceivably impacts work, and our assessment of studies ranks the "most livable cities." A civic index is also utilized toward this goal.

### 3. Accountability structures

Each of the structures is linked to measures and behaviors and promotes behavior in accordance with performance expectations.

*Organization-level accountability structures* – Accountability structures at the organization level include data driven command accountability, strategic planning, quality assurance functions, and budget management.

*Individual-level accountability structures* – Accountability structures at the individual level were designed to promote behaviors consistent with the performance expectations. Accountability structures at the individual level include structures such as internal affairs, personnel performance evaluations, and career development.

# 1. Identifying performance expectations or outcomes

- ✓ Community involvement.
- ✓ City Council's stated goals.
- ✓ Personnel take ownership of this process.

### 2. Implementing and sustaining performance measures

The key was to develop a series of measures for each outcome and triangulate findings: to assess the overall picture as opposed to focusing on any individual measure. This creates a more complete and accurate picture of the progress toward meeting the goals. Placing the measures within the appropriate context facilitates in the interpretation of the actual results.

- ✓ Started at the micro level and matriculated into the macro level.
- ✓ Prioritize measures and collect data.
- ✓ Reviewed measures used at the national level and customize them to fit local needs.
- ✓ Collected output and outcome measures.
- ✓ Collect trend data to provide a picture of progress toward goals.
- ✓ Compare data to "benchmark" performance against similar agencies.
- ✓ Share information with area police chiefs to improve performance measurement systems and to improve communication and collaboration among agencies.
- ✓ Performance measurement is difficult and complex work so we sought help when necessary to effectively manage all aspects.

### 3. *Implementing accountability structures*

Accountability structures were strategic planning, budget management, and performance reporting.

- ✓ Culture of integrity to ensure accurate data reporting.
- ✓ Measures used regularly to help better manage resources, programs, initiatives, new hires.
- ✓ Regular accountability structure: Daily Activity Reports, monthly reports Trend Analysis.
- ✓ Outcomes tied to personnel evaluations.

#### 4. Overall Implementation

- ✓ Goals brought momentum and enthusiasm.
- ✓ Staff was educated and trained at all levels
- ✓ Full participation of supervisors.
- ✓ Utilized multiple Phases so that staff is not overwhelmed with too much information.
- ✓ Set a time-line for the evolving process
- ✓ Formalize the system internally or externally

### Goal & Objectives Achieved

# 1. GOAL # 1: PROVIDE THE HIGHEST LEVEL OF PROTECTION TO OUR CITIZENS AND COMMUNITY.

- a. <u>Objective 1.1</u>: Implemented Phase I (Uniform Patrol Division only) of the Area of Responsibility District Law Enforcement program was completed. Phase I includes:
  - i. The configuration of zone boundaries based on current call loads and population.
  - ii. Designate and implement a Problem Solving Planner Approach using Computer Statistics. Officers act as a liaison for identifying crucial crime trends and community problems within the districts and coordinating and deploying crime fighting strategies to reduce or eliminate those identified problems; and
  - iii. Facilitate individual supervisor and officer accountability to their areas of responsibilities.
- b. <u>Objective 1.2</u>: The supervisor on Duty Cellular Telephone improved communication between concerned citizens and the officers on duty.
- c. <u>Objective 1.3</u>: Formalize collaboration with citizens for problem solving at the grassroots level.
- d. <u>Objective 1.4</u>: The Traffic Enforcement Safety Team (TEST) focuses efforts on traffic violations along major thoroughfares. Implementation of a certified Child Safety Seat technician.
- e. Objective 1.5: The Criminal Investigations Division works to:
  - i. Increase the use of Crime Analysis information to develop incident driven coordination with the District Law Enforcement concept to include "hot spot" notification and coordination with other agencies.
  - ii. Develop monthly incident reports for the area jurisdictions and the media
  - iii. Monitor and track area narcotics activities. This included street level narcotics and High Intensity Drug Trafficking.
  - iv. Identify and prosecute juvenile's offenders.
  - v. Work with the local Juvenile Justice Center to establish designated detention areas.
  - vi. Recommend, collaborate and participate in area based solutions.
- f. Objective 1.6: The Public Information Office coordinates Public Service Announcements to educate, inform and increase public awareness, with the goal of focusing on specific issues using Nixle Alerts and the on-line SafeTown application.

- g. <u>Objective 1.7</u>: Through Community Policing, increased safety, raises awareness and provides crime prevention information through efforts including: National Night Out and nightly Business Watches.
- h. <u>Objective 1.8</u>: In an effort to provide improved protection to law enforcement and citizens, the Records Bureau provides information on crime trends to assist in Crime Trend Analysis.
- i. <u>Objective 1.9</u>: The Training Coordinator worked to develop and present in-service and/or roll call training blocks. Training is coordinated at the regional level to include surrounding agencies.

# 2. GOAL #2: PROVIDE THE HIGHEST LEVEL OF PROFESSIONAL SERVICE TO OUR CITIZENS AND COMMUNITY.

- **a.** Objective 2.1: Work cooperatively with other agencies to target significant and specific community problems and citizen concerns.
- **b.** Objective 2.2: The Training Coordinator established training for personnel to work toward cultural competency to enhance interpersonal skills and awareness when relating to co-workers and the community at large.
- c. Objective 2.3: The Accreditation Manager works toward submitting MPD for the final stages of recognition status. Work is maintained toward excellence in service by ensuring certification and training; developing unit training/procedure manuals; and improving service through continual re-evaluation of existing programs and processes; promote collaborations and develop strong working relationships to enhance excellence in service through shadowing, and the ride-a-long program.
- **d.** Objective 2.4: The Police Reserves maintains the responsibilities of Bailiffs duties and assist with warrant telephone calls and regular patrol duties.
- e. <u>Objective 2.5</u>: The Administrative Assistant increased the number of Quality Assurance (QA) reviews for internal and external audits to ensure the highest level of professional service possible.
- **f.** Objective 2.6: The Uniform Patrol Division administers and maintains an active community information exchange program in order to build community trust and develop positive working relationships. Actions included:
  - i. A proactive business contact initiative;
  - ii. A communication strategy for our officers in order to expand conflict resolution and overall professionalism when interacting

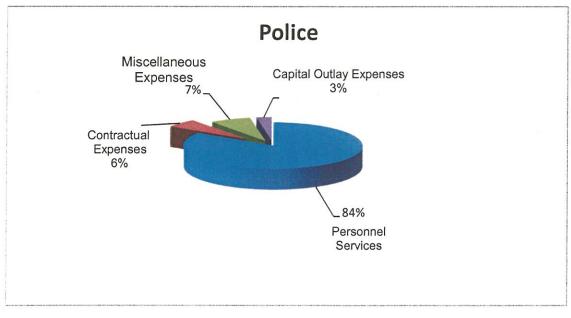

with the public. This also coincides with providing better service to our citizens and community.

- g. <u>Objective 2.8</u>: Criminal Investigations works to maintain the protocol for making the initial and subsequent contacts with victims of crime. Maintain Part One clearance rates that are at or below the National 5-year average.
- h. <u>Objective 2.9</u>: Monitor crime trends so that prompt arrests/prosecution can be made to help minimize criminal activity.
- i. <u>Objective 2.10</u>: Met quarterly with the District Attorney and area police chiefs to discuss recent trends relative to public perception.
- j. <u>Objective 2.11</u>: The Public Information Officer (PIO) released case synopsis and other pertinent information. Proactively sought out news and community interest stories and coordinate the release of information with pertinent personnel. Coordinated National Night Out.
- k. Objective 2.12: Reserve Officers continue to take responsibility for warrants and conduct a three phase program to aggressively reduce the number of outstanding warrants. These operations included follow-up telephone calls, delivering door hangers and assisted in conducting warrant roundups. The roundups are coordinated with the Criminal Investigations Division, Uniform Patrol Division, Municipal Court and other departments. A statistical report is submitted detailing the outcome after each roundup.
- 1. Objective 2.13: Implemented a Community Based Recruiting Program to establish a pool of candidates that will equitably represent the diversity of the City of Magnolia.
- m. <u>Objective 2.14</u>: Implementation of a Traffic Enforcement Safety Team: Focused on speed enforcement assignments; DWI detection and enforcement assignments; track reports and special enforcement productivity.
- 3. <u>GOAL #3</u>: PROVIDE OUR EMPLOYEES WITH THE SUPPORT, DEVELOPMENT AND RESOURCES THAT PROMOTES EXCELLENCE IN PROTECTION AND SERVICE.
  - **a.** Objective 3.1: Training was provided by in-house supervisors to develop and present in-service and/or roll call training blocks to all personnel that increases employee awareness of chronic stress and critical incident trauma exposure after-effects; implemented a training by supervisors.

- **b.** Objective 3.2: Analyze the FTO program to provide enhanced instruction to motivate and support new employees and co-workers. Scenario training included areas that were real.
- **c.** <u>Objective 3.3</u>: Preparation for the Texas Best Practices Program is maintained. MPD policies are organized, reviewed and updated annually as part of the application for recognition status.
- **d.** <u>Objective 3.4</u>: Criminal Investigations Division developed collaboration among other agencies.
- e. <u>Objective 3.5</u>: In conjunction with Human Resources, job classifications are re-evaluated and updated.
- f. Objective 3.6: Implement Performance Measures.
- **g.** Objective 3.7: Re-evaluate and maintain a Records Retention and Destruction Schedule and Policy consistent with state law.

# **MUNICIPAL COURT**

# Municipal Court

#### **Mission Statement:**

The Magnolia Municipal Court is dedicated to assisting the public with cases that have been filed in our court. The Court must follow the procedures set by Chapter 45 of the Code of Criminal Procedure on all cases from the filing of the charge to the final disposition. We will handle each case in a timely manner with the most efficient and courteous service possible. We will adhere to the Code of Judicial Conduct and incorporate a standard of excellence as we maintain a productive and enjoyable work environment.

### **Objectives:**

Magnolia Municipal Court's Code of Ideals will serve as the philosophical cornerstone to guide our actions with anyone who relies on the services we provide. It is the heart of those characteristics that we all agree comprise the best in an organization and ourselves.

- **HONESTY** We will be fair and honest in our relations with defendants while striving to achieve the highest level of integrity and trustworthiness;
- **RESPECT** We will be respectful, courteous, and understanding of defendants' needs and will always treat them as we would want to be treated;
- **DEDICATION** We will hold ourselves accountable to ensure that services are provided to the best of our ability in a responsible, dependable, and timely manner;
- **TEAMWORK** We are part of a Team on many levels. Employees of the City of Magnolia are motivated, cooperative, and dedicated Team players. We assume a sense of responsibility for our actions to ensure our success as individuals and as a City;
- **PROFESSIONALISM** We will strive to demonstrate competency, knowledge, and efficiency in our jobs that exceeds the expectations of our customers;
- **POSITIVE ATTITUDE** We are willing to demonstrate a spirit of friendly customer service by providing helpful and responsive assistance in a caring and considerate manner.

## Accomplishments for FY 2014-2015:

- Won the 2015 TMCEC Traffic Safety Initiative Award for low volume Courts-This is the 2<sup>nd</sup> consecutive award received;
- The Court Administrator received a Level Two Municipal Court Clerk Certification;
- Implemented TrafficPayment.com-An online/telephone payment option for Defendants;

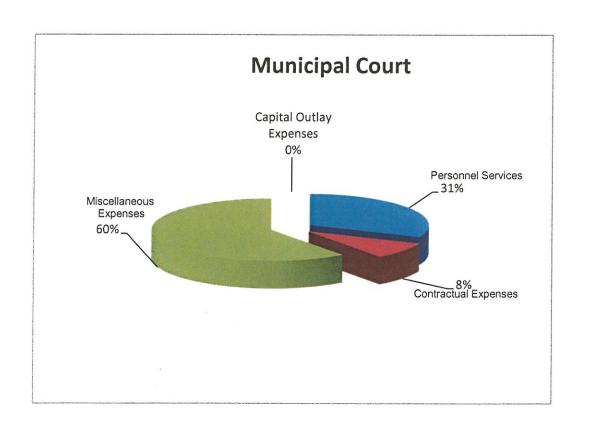

- Completed Retention Project;
- Participated in Magnolia's July 4<sup>th</sup> celebration by implementing traffic safety programs that helped to educate the public regarding the dangers and consequences of distracted driving and underage drinking;
- Participated in National Night Out by educating the public regarding the dangers of distracted driving;
- Hosted a tour of the Court for the Magnolia Elementary School-Spoke to the Student Council about the dangers and consequences of distracted driving;
- Helped to implement a distracted driving personnel policy regarding employee use of cell phones while on the job.

#### Goals for FY 2015-2016:

- Apply for the 2016 TMCEC Traffic Safety Initiative Award;
- Participate in the Great State Wide Warrant Round-up;
- Improve on Court collections-Collect on current warrants, implement a program that will help with collections before cases get to warrant status;
- Clerks continue education to stay abreast of the latest updated laws and Court procedures; Court Administrator will apply for a Level Three Municipal Court Clerk Certification.

# PUBLIC WORKS/ FACILITIES

# Public Works Department/Facilities

#### **Department Mission**

To exceed the expectations of the citizens of Magnolia by providing exceptional customer service, ensuring citizen safety, maintaining the infrastructure, supporting City departments and providing quality essential municipal services in an efficient manner

#### **Program Narrative**

The Public Works Department is responsible for ensuring the safety of the City's vehicles, creating secure and clean environments in City facilities, providing safe, well-maintained streets for travel, and City-wide right-of-way maintenance.

#### Accomplishments for FY 2014-2015

- Replaced fire hydrants throughout the City
- Replaced street signs throughout the City
- Maintained roads/repaired potholes
- Trimmed vegetation along right-of-ways
- Provided barricades and safety apparatus for flooded areas

#### Objectives for FY 2015-2016

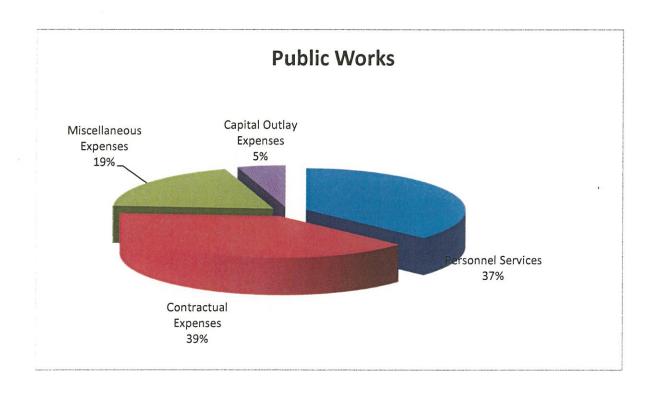

- Continue to increase the quality and efficiency of customer service delivered with minimal staff
- Maintain a safe and healthy environment for City staff and the community

#### Goals for FY 2015-2016

- Continue to conduct quarterly operational and safety training seminars to increase employee safety awareness and proper working knowledge of select tools and practices
- Overlay and pave major roads

## **Public Works Expenditure Summary**

# **ENTERPRISE FUND**

Proprietary (Enterprise) Fund

### **Fund Description**

Proprietary funds are accounted for using the economic resources measurement focus and the accrual basis of accounting. Proprietary funds are used to account for activities that are similar to those often found in the private sector.

#### Fund narrative

All assets, liabilities, equities, revenues, expenses, and transfers relating to the government's business activities are accounted for through proprietary funds. The City presents the following major proprietary fund:

Enterprise Fund: The Enterprise Fund is used to account for the provision of water and wastewater collection and wastewater treatment operations. The services are financed and operated in a manner similar to private business enterprises where the intent of the governing body is that the costs (expenses including depreciation) of providing goods or services to the general public on a continuing basis will be financed or recovered primarily through user charges.

#### Financial Performance for FY 2015

Revenues in the Water Department (including intra-fund transfers) for the current fiscal year, budgeted at \$1,470,201, are expected to come in approximately 0.9% or \$13,716 less than budgeted, primarily due to less-than-expected San Jacinto River Authority fee income. Revenues in the Sewer Department are expected to come in approximately \$50,607 or 9.9% more than budgeted. This is due to larger-than-expected revenues for both sewer usage and garbage collection, as well as increased tap fees. Impact Fund revenues for the current fiscal year are expected to exceed budget by \$200,200 or 181.5%.

Operating expenditures for FY 2015 in the Water Department are projected to come in approximately \$89,977 or 8.7% under budget. Expenses in the Sewer Department are projected to be under budget by \$1,379 or 0.3%.

## 2015/2016 Budget

#### Revenues

Revenues for the Water Department are budgeted at \$1,322,100 which is \$148,101 or 10.0% less than last year's budget. Budget decreases for fees collected for the San Jacinto River Authority and interdepartmental fund transfers were partially offset by an increased budget for general water fund revenue, tap fees and disconnect fees. Revenues for the Sewer Department are budgeted conservatively at only 6.7% or \$34,300 higher than FY 2015 budget. Impact fees are budgeted the same as last year except for a slight increase in interest revenue.

## Expenditures

Expenditures for the Water Department are budgeted at \$989,181 or \$39,956 less than the previous year's budget. An increase in personnel costs was more than offset by decreases in contractual expenses and transfers to debt service.

Expenditures for the Sewer Department are budgeted \$78,459 or 16.8% more than the FY 2015 budget, primarily due to increases in personnel costs, utilities, garbage service, miscellaneous supplies, fuel and sludge hauling.

There are no plans to spend any of the Impact Fund monies in the upcoming fiscal year.

# WATER

## Water Department

#### **Department Mission**

To continue to provide <u>Superior Quality Water</u> at good volume and pressure, and at reasonable cost, to our citizens, and to support the growth of Magnolia

#### **Program Narrative**

The Water Department is responsible for providing high standard and quality in the day-to-day operation and maintenance of the water supply system and water plants.

#### Accomplishments for FY 2014-2015

- Maintained Superior Water Rating from TCEQ
- Worked hand in hand with the TxDot contractor to identify and relocate any lines which stood in the way of progress on the widening of FM 1774
- Removed and replaced all water meters with readings in excess of 1 million gallons
- Replaced many faulty water meters with high-quality Neptune meters

### Objectives for FY 2015-2016

- Continue to receive Superior Water Rating from TCEQ
- Maintain high standards of customer service
- Remain current on all testing, reporting and monitoring of the water systems and maintain strict compliance with state and federal regulations
- Monitor the operations of both water plants to ensure dependability and reliability to preclude any system failures
- Develop plans to extend water service to the newly annexed property at FM 149

#### Goals for FY 2015-2016

- Upgrade all water meters with self-reading meters to increase accuracy to the customer and cut down man hours required to read the meters manually
- Remove and replace old and sub-standard pipes that are found outside the city limits but inside the system
- Increase responsiveness by completing all standard work orders within 24 working hours
- Complete all emergency work orders within 2 working hours

## **Utility Billing**

#### Mission

To be committed to assuring a quality of life for our valued customers by providing the highest levels of water and sanitary sewer services in a safe and efficient manner. To treat everyone we serve both internally and externally with utmost respect.

#### **Program Narrative**

The Utility Billing Section is responsible for the accurate billing and collection of all City of Magnolia water, sewer and sanitation accounts. Our functions include receiving the scheduled readings of all meters, preparing and sending the monthly billing, processing and posting various forms of payment to customers' accounts, handling the collection efforts of delinquent accounts, and responding to various customer requests.

#### Accomplishments for FY 2014-2015

- Bills were mailed by the 5<sup>th</sup> day of the month 100% of the time
- Cut offs were highly enforced for non-payment accounts
- Researched new electronic meter system and City approved

#### Objectives for FY 2015-2016

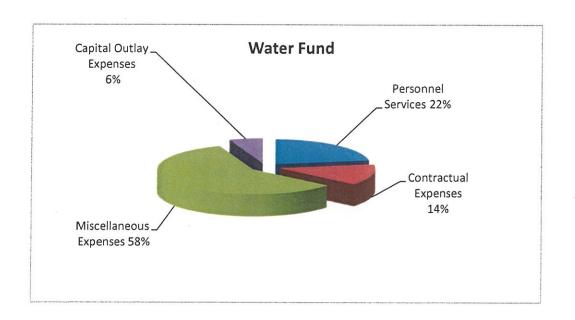

- Process monthly bills by the 5<sup>th</sup> working day of the month 100% of the time
- Strive to have a 24-hour turn around on service order completion 100% of the time
- Research an online bill pay option for customers
- Install new electronic meters

#### Goals for FY 2015-2016

- Develop tools to measure customer service success, i.e. questionnaires, surveys or comment cards
- Use new meter services
- Implement online bill pay

# **SEWER**

## Sewer Department

#### **Department Mission**

To continue to provide Superior, safe operation of the sanitary sewer service to the City of Magnolia

#### **Program Narrative**

The Sewer Department is responsible for the day-to-day operation and maintenance of the sanitary sewer collection system and operations and maintenance of the sewage processing plant

#### Accomplishments for FY 2014-2015

- Continued to detect and repair major infiltration points throughout the system
- Achieved an excellent rating from TCEQ on triennial inspection
- Maintained excellent reporting criteria on all lab samples/tests
- Met and exceeded all state and federal regulations and requirements for sewer plants
- Maintained excellent record keeping and reporting for all state requirements to TCEQ
- Designed and contracted to lay a 16-inch line and sewer system to the newly annexed area at FM 1488 and FM 149

#### Objectives for FY 2015-2016

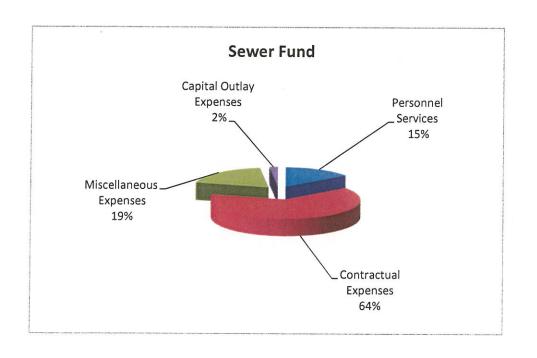

- Complete plans and permit applications to build a new sewer plant to support the impending growth of the City of Magnolia
- Maintain high standards of customer service
- Remain current on all testing, reporting and monitoring of the sewer systems and maintain strict compliance with state and federal regulations
- Continue monitoring and smoke testing program for infiltration and leakage in collection system

#### Goals for FY 2015-2016

- Strive to complete all standard work orders within 24 working hours
- Complete all emergency work orders within 2 working hours

The Impact Fund Water/Sewer is used to account for receipts and expenditures of water/sewer impact fees. Impact fees are authorized under Chapter 395 of the Texas Local Government Code and are defined as charges against new development to pay for the off-site construction or expansion of infrastructure facilities that are necessitated by and benefit the new development.

# DEBT SERVICE/ CAPITAL EQUIPMENT

## Long-Term Debt:

The City of Magnolia enters into loan agreements and issues revenue bonds and certificates of obligation to provide financing for its various operations. Loan agreements, bonds, and certificates of obligation can and have been issued for the governmental activities, business-type activities and the component unit, Economic Development Corporation, 4A.

For each of the bond and certificate of obligation issues, the City is required to establish an interest & sinking fund. Depending upon the individual bond or C/O agreement, a reserve fund may also need to be established. For each fund, for each bond and certificate of obligation issue, equal monthly payments are to be made into these funds.

The City maintains good communications with bond rating agencies about its financial condition and currently has an "A+" rating from Standard & Poor's.

The City does not have a formal debt policy, and there is no direct limit on debt in the City Charter.

The following page summarizes the outstanding long-term debt of the City.

# City of Magnolia 2015-2016 Debt Service

A portion of the total Ad Valorem Tax (property tax) rate is allocated for debt service: however, the actual portion to be paid by property tax depends on the project(s) approved.

Depending on the project's purpose, additional debt service payments are expected to be paid by the Enterprise Fund (Water) or by Sales Taxes.

GIND	BOND	INFORMATION			2015	2015-2016 DEBT SERVICE	/ICE

#### **Capital Equipment:**

The City of Magnolia does not have a separate Capital Equipment budget.

The following items were approved as part of the overall operating budgets for the General Fund and Enterprise Fund for FY 2015-16:

#### General Fund:

Police Dept. - \$31,550 for a new SUV for the Police Chief

City Council - \$10,000 for a sound system for Council chambers

Administration - \$2,000 for computer equipment

Public Works - \$2,000 for lawn mowers, edgers

\$6,000 for major equipment such as trailers, forklifts, etc.

#### Enterprise Fund:

Water Dept. - \$50,000 for an installment payment on a 5-year payment plan for a Tesla AMR automatic meter reader system. This should provide more accuracy in water billing and should eliminate most of the man hours involved with the monthly readings.

\$1,000 for computer equipment

\$5,000 for miscellaneous equipment

Sewer Dept. - \$10,000 for boring equipment, sewer hose and miscellaneous tools

# SPECIAL REVENUE FUNDS

#### **Special Revenue Funds**

The Special Revenue Funds are used to account for the proceeds of specific revenue sources (other than expendable trusts and major capital projects) to finance specified activities which are required by statute, ordinance, resolution or executive order.

The City of Magnolia has seven of these funds, the largest of which are the ATS-Red Light Camera Fund and the HB445 Road Repair Fund. Each fund is described in a separate budget page.

The combined Statement of Revenues, Expenditures, and Changes in Fund Balance for these accounts are included in the Governmental Funds Summary on page 9.

Automated red light photo enforcement cameras were set up during FY 2010 with the goal of reducing the number of injury accidents caused by "red light running". By law, the use of the revenues is limited to traffic safety programs, including pedestrian safety programs, public safety programs, intersection improvements, and traffic enforcement.

The Hotel/Motel Occupancy Tax Fund accounts for revenues received from hotel occupancy taxes, which are used to promote tourism. Hotels submit quarterly to the City an occupancy tax based upon 7% of total room receipts. Compliance with the provisions of the state statutes is monitored by City finance personnel on a continuing basis.

# COMPONENT UNIT FUNDS

#### **Component Unit Funds**

#### **Fund Description**

The criteria for including organizations as component units within the City's reporting entity, as set forth by GASB Statement No. 39, Determining Whether Certain Organizations are Component Units, include whether:

- The organization is legally separate (can sue and be sued in their own name)
- The City holds the corporate powers of the organization
- The City appoints a voting majority of the organization's board
- The City is able to impose its will on the organization
- The organization has the potential to impose a financial benefit/burden on the City
- There is fiscal dependency by the organization on the City

Based on this, and based upon their significant financial and operational relationships to the City, the City has two discrete component units, as follows: Economic Development Corporation – 4A (EDC) and Community Development Corporation – 4B (CDC).

#### Fund narrative

Economic Development Corporation – 4A: On September 8, 1997, the City incorporated the "City of Magnolia Economic Development Corporation" (EDC). The purpose of the EDC is to promote economic development within the City and the State of Texas in order to eliminate unemployment and underemployment, and to promote and encourage employment and the public welfare of, for, and on behalf of the City, and for improving the assessed valuations through the promotion of: (a) existing business enterprise expansion and retention and (b) new business enterprise development and attraction by developing, implementing, providing and financing projects. A one-half percent City sales tax is designated for this purpose. Directors to the EDC are appointed by the governing body of the City. Although the EDC is legally separate from the City, it is reported as if it were a part of the primary government because its sole purpose is to expend the proceeds of any sales tax levied for the City's benefit in order to promote economic development for the City. The EDC does not issue separate financial statements.

Community Development Corporation – 4B: On June 21, 1995, the City incorporated the "City of Magnolia Community Development Corporation" (CDC). The purpose of the CDC is to promote economic development within the City and the State of Texas in order to eliminate unemployment and underemployment, and to promote and to encourage employment and the public welfare of, for and on behalf of the City, and for parks, auditoriums, learning centers, open space improvements, athletic and exhibition facilities, and other related improvements and for maintenance and operating costs of publicly owned and operated projects by developing, implementing, providing, and financing projects.

## **Economic Development Corporation (4A)**

#### Mission

To focus on the future, to be "open for business" and remain a "Community of Unity".

#### Vision

To aggressively pursue all avenues of growth for new and existing businesses, and to maximize employment opportunities, tax base, and quality of life.

The Magnolia Economic Development Corporation ("4A") promotes community improvements and economic development within the City and on behalf of the City by developing, implementing, providing, and financing projects under the State of Texas Development Corporation Act of 1979. The City of Magnolia adopted the 4A in 1997 with the passage of one-half (1/2) of one percent (1%) sales tax dedicated to economic development. The corporation is defined in Section 4B of the Act; and for all other purposes allowed by law as permitted by the Development Corporation Act.

#### Methods Used:

- Regional, nationwide and global marketing
- Incentive programs
- Provide demographics
- Coordination/facilitation of state, regional and federal programs
- Site search assistance
- Plan development

#### 2015 4A EDC Board of Directors:

President - Jonny Williams Vice President - Phyllis Stegen Secretary/Treasurer – Basil Tate Pat Zaiontz Anne Sundquist

#### **Staff Contacts:**

Paul Mendes, City Administrator/Economic Executive Director Tana Ross, Economic Development Coordinator

## **Community Development Corporation (4B)**

#### Mission

To provide leadership and funding for projects that enhance and preserve Magnolia's excellent quality of life.

The City of Magnolia Community Development Corporation ("4B") was established on March 14, 1995 following the passage of one-fourth (1/4) of one percent (1%) sales tax dedicated to community development by the residents of Magnolia. The MCDC-4B is a non-profit, tax exempt Texas Corporation, which is a separate entity from any other board or commission of the City of Magnolia. The Magnolia Tomorrow program, comprised of community volunteers, participates with the MCDC in planning parks, downtown revitalization, and special projects.

The Section 4B sales tax provides cities with a wider range of uses for the tax revenues because it is intended to give communities an opportunity to undertake a project for quality of life improvements. The Section 4B tax can be used to fund projects that are typically considered to be community development initiatives. Authorized categories under Section 4B include, among others, land, buildings, equipment, facilities, expenditures and improvements for professional and amateur sports facilities, park facilities and events, entertainment, convention and tourist facilities. As of June 20, 2003, the Section 4B tax may also be expended for the development of water supply facilities or water conservation programs; however, in order to undertake a water supply facility or water conservation program, the facility or program has to be approved by a majority of the qualified voters of the City of Magnolia in an election called and held for that purpose.

#### 2014 4B CDC Board of Directors:

# 2015 Effective Tax Rate Worksheet City of Magnolia

Date: 07/24/2015 02:07 PM

1. 2014 total taxable value. Enter the amount of 2014 taxable value on the 2014 tax roll today. Include any adjustments since last year's certification; exclude Tax Code Section 25.25(d) one-third over-appraisal corrections from these adjustments. This total includes the taxable value of homesteads with tax ceilings (will deduct in Line 2) and the captured value for tax increment financing (will deduct taxes in Line 14).	\$162,725,100
2. 2014 tax ceilings. Counties, cities and junior college districts. Enter 2014 total taxable value of homesteads with tax ceilings. These include the homesteads of homeowners age 65 or older or disabled. Other taxing units enter 0. If your taxing units adopted the tax ceiling provision in 2014 or a prior year for homeowners age 65 or older or disabled, use this step.	\$0
3. Preliminary 2014 adjusted taxable value. Subtract Line 2 from Line 1.	\$162,725,100
4. 2014 total adopted tax rate.	\$0.4629/\$100
5. 2014 taxable value lost because court appeals of ARB decisions reduced 2014 appraised value.	
A. Original 2014 ARB Values.	\$0
B. 2014 values resulting from final court decisions.	\$0
C. 2014 value loss. Subtract B from A.	\$0
6. 2014 taxable value, adjusted for court-ordered reductions. Add Line 3 and Line 5C.	\$162,725,100
7. 2014 taxable value of property in territory the taxing unit deannexed after Jan. 1, 2014. Enter the 2014 value of property in deannexed territory.	\$0
8. 2014 taxable value lost because property first qualified for an exemption in 2015.  Note that lowering the amount or percentage of an existing exemption does not create a new exemption or reduce taxable value. If the taxing unit increased an original exemption, use the difference between the original exempted amount and the increased exempted amount. Do not include value lost to freeport or goods-in-transit exemptions.	
A. Absolute exemptions. Use 2014 market value:	\$0
B. Partial exemptions. 2015 exemption amount or 2015 percentage exemption times 2014 value:	\$309,410
C. Value loss. Add A and B.	\$309,410
9. 2014 taxable value lost because property first qualified for agricultural appraisal (1-d or 1-d-1), timber appraisal, recreational/scenic appraisal or public access airport special appraisal in 2015. Use only properties that qualified in 2015 for the first time; do not use properties that qualified in 2014.	
A. 2014 market value:	\$0
B. 2015 productivity or special appraised value:	\$0
C. Value loss. Subtract B from A.	\$0

11. 2014 adjusted taxable value. Subtract Line 10 from Line 6.  12. Adjusted 2014 taxes. Multiply Line 4 by line 11 and divide by \$100.  \$751,1  13. Taxes refunded for years preceding tax year 2014. Enter the amount of taxes refunded by the taxing unit for tax years preceding tax year 2014. Types of refunds include court decisions, Tax Code Section 25.25(b) and (c) corrections and Tax Code Section 31.11 payment errors. Do not include refunds for tax year 2014. This line applies only to tax years preceding tax year 2014. This line applies only to tax years preceding tax year 2014. This line applies only to tax years preceding tax year 2014. This line applies only to tax years preceding tax year 2014. This line applies only to tax years preceding tax year 2014. This line applies only to tax years preceding tax year 2014. This line applies only to tax years preceding tax year 2014. This line applies only to tax years preceding tax year 2014. This line applies only to tax years preceding tax year 2014. This line applies only to tax years preceding tax year 2014. This line applies only to tax years preceding tax year 2014. This line applies only to tax years preceding tax year 2014. This line applies only to tax years preceding tax year 2014. This line applies only to tax years preceding tax year 2014. This line applies only to tax years preceding tax year 2014. This line applies to tax tax year 2014. This line applies to tax to tax year 2014. This line applies to the tax increment financing: Deduct the value of property exempted for the current tax year for the first time as pollution control property.  13. Tax increment financing: Deduct the value of property taxable by a taxing unit in a tax increment financing zone for which the 2015 taxes will be deposited into the tax increment financing zone for which the 2015 taxes will be deposited into the tax increment financing zone for which the 2015 taxes will be		
12. Adjusted 2014 taxes, Multiply Line 4 by line 11 and divide by \$100.  \$751,1  13. Taxes refunded for years preceding tax year 2014. Enter the amount of taxes refunded by the taxing unit for tax years preceding tax year 2014. Types of refunds include court decisions, Tax Code Section 25.25(b) and (c) corrections and Tax Code Section 31.11 payment errors. Do not include refunds for tax year 2014. This line applies only to tax years preceding tax year 2014. This line applies only to tax years preceding tax year 2014. Enter the amount of taxes paid into the tax increment financing (TIF) for tax year 2014. Enter the amount of taxes paid into the tax increment financing (TIF) for tax year 2014. Enter the amount of taxes paid into the tax increment fund for a reinvestment zone as agreed by the taxing unit. If the taxing unit has no 2015 captured appraised value in Line 16D, enter 0.  15. Adjusted 2014 taxes with refunds and TIF adjustment. Add Lines 12 and 13, subtract Line 14.  16. Total 2015 taxable value on the 2015 certified appraisal roll today. This value includes only certified values and includes the total taxable value of homesteads with tax ceilings (will deduct in Line 18). These homesteads include homeowners age 65 or older or disabled.  A. Certified values:  \$182,941,0  B. Counties: Include railroad rolling stock values certified by the Comptroller's office:  C. Pollation control exemption: Deduct the value of property exempted for the current tax year for the first time as pollution control property:  D. Tax increment financing: Deduct the 2015 captured appraised value of property taxable by a taxing unit in a tax increment financing zone for which the 2015 taxes will be deposited into the tax increment financing zone for which the 2015 taxes will be deposited into the tax increment financing zone for which the 2015 taxes will be deposited into the tax increment financing zone for which the 2015 taxes will be deposited by a taxing unit in a tax increment financing zone for which the 2015 taxes will be	10. Total adjustments for lost value. Add lines 7, 8C and 9C.	\$309,410
13. Taxes refunded for years preceding tax year 2014. Enter the amount of taxes refunded by the taxing unit for tax years preceding tax year 2014. Types of refunds include court decisions, Tax Code Section 31.11 payment errors. Do not include refunds for tax year 2014. This line applies only to tax years preceding tax year 2014.  14. Taxes in tax increment financing (TIF) for tax year 2014. Enter the amount of taxes paid into the tax increment financing (TIF) for tax year 2014. Enter the amount of taxes paid into the tax increment financing (TIF) for tax year 2014. Enter the amount of taxes paid into the tax increment financing (TIF) for tax year 2014. Enter the amount of taxes paid into the tax increment financing (TIF) for tax year 2014. Enter the amount of taxes paid into the tax increment financing (TIF) for tax year 2014. Enter the amount of taxes paid into the tax increment financing and TIF adjustment. Add Lines 12 and 13, subtract Line 14.  16. Total 2015 taxable value on the 2015 certified appraisal roll today. This value includes only certified values and includes the total taxable value of homesteads with tax ceilings (will deduct in Line 18). These homesteads include homeowners age 65 or older or disabled.  A. Certified values:  B. Counties: Include railroad rolling stock values certified by the Comptroller's office:  C. Pollution control exemption: Deduct the value of property exempted for the current tax year for the first time as pollution control property:  D. Tax increment financing: Deduct the 2015 captured appraised value of property taxable by a taxing unit in a tax increment financing zone for which the 2015 taxes will be deposited into the tax increment financing: Deduct the 2015 captured appraised value of properties under protest or not included on certified appraisal roll.  E. Total 2015 value. Add A and B, then subtract C and D.  \$182,941,0  \$182,941,0  \$182,941,0  \$182,941,0  \$182,941,0  \$182,941,0  \$182,941,0  \$182,941,0  \$182,941,0  \$182,941,0  \$182,941,0  \$182,941,0  \$182,941,0  \$1	11. 2014 adjusted taxable value. Subtract Line 10 from Line 6.	\$162,415,690
by the taxing unit for tax years preceding tax year 2014. Types of refunds include court decisions, Tax Code Section 31.11 payment errors. Do not include refunds for tax year 2014. This line applies only to tax years preceding tax year 2014.  14. Taxes in tax increment financing (TIF) for tax year 2014. Enter the amount of taxes paid into the tax increment fund for a reinvestment zone as agreed by the taxing unit. If the taxing unit has no 2015 captured appraised value in Line 16D, enter 0.  15. Adjusted 2014 taxes with refunds and TIF adjustment. Add Lines 12 and 13, subtract Line 14.  16. Total 2015 taxable value on the 2015 certified appraisal roll today. This value includes only certified values and includes the total taxable value of homesteads with tax ceilings (will deduct in Line 18). These homesteads include homeowners age 65 or older or disabled.  A. Certified values:  3. Counties: Include railroad rolling stock values certified by the Comptroller's office:  C. Pollution control exemption: Deduct the value of property exempted for the current tax year for the first time as pollution control property:  D. Tax increment financing: Deduct the 2015 captured appraised value of property taxable by a taxing unit in a tax increment financing zone for which the 2015 taxes will be deposited into the tax increment fund. Do not include any new property value that will be included in Line 21 below.  E. Total 2015 value. Add A and B, then subtract C and D.  \$182,941,0  \$1.2,596,9  \$2,596,9  \$2,596,9  \$2,596,9  \$2,596,9  \$2,596,9  \$2,596,9  \$2,596,9  \$2,596,9  \$2,596,9  \$2,596,9  \$2,596,9  \$2,596,9  \$2,596,9  \$2,596,9  \$2,596,9  \$2,596,9  \$2,596,9  \$2,596,9  \$2,596,9  \$2,596,9  \$2,596,9  \$2,596,9  \$2,596,9  \$2,596,9  \$2,596,9  \$2,596,9  \$2,596,9  \$2,596,9  \$2,596,9  \$2,596,9  \$2,596,9  \$2,596,9  \$2,596,9  \$2,596,9  \$2,596,9  \$2,596,9  \$2,596,9  \$2,596,9  \$2,596,9  \$2,596,9  \$2,596,9  \$2,596,9  \$2,596,9  \$2,596,9  \$2,596,9  \$2,596,9  \$2,596,9  \$2,596,9  \$2,596,9  \$2,596,9  \$2,596,9  \$2,596,9  \$2,596,9  \$2,596,9  \$2,5	12. 18. 2015 tax ceilings. Counties, cities and junior colleges enter 2015 total taxable value of homesteads with tax ceilings. These include the homesteads of homeowners age 65 or older or disabled. Other taxing units enter 0. If your taxing units adopted the tax ceiling provision in 2014 or a prior year for homeowners age 65 or older or disabled, use this step.	\$0
19. 2015 total taxable value. Add Lines 16E and 17C. Subtract Line 18.	\$185,538,070
20. Total 2015 taxable value of properties in territory annexed after Jan. 1, 2014.  Include both real and personal property. Enter the 2015 value of property in territory annexed.	\$5,172,970
21. Total 2015 taxable value of new improvements and new personal property located in new improvements. New means the item was not on the appraisal roll in 2014. An improvement is a building, structure, fixture or fence erected on or affixed to land. New additions to existing improvements may be included if the appraised value can be determined. New personal property in a new improvement must have been brought into the taxing unit after Jan. 1, 2014, and be located in a new improvement. New improvements do include property on which a tax abatement agreement has expired for 2015.	\$2,613,418
22. Total adjustments to the 2015 taxable value. Add Lines 20 and 21.	\$7,786,388
23. 2015 adjusted taxable value. Subtract Line 22 from Line 19.	\$177,751,682
24. 2015 effective tax rate. Divide Line 15 by Line 23 and multiply by \$100.	\$0.4243/\$100
25. COUNTIES ONLY. Add together the effective tax rates for each type of tax the county levies. The total is the 2015 county effective tax rate.	

A county, city or hospital district that adopted the additional sales tax in November 2014 or in May 2015 must adjust its effective tax rate. The Additional Sales Tax Rate Worksheet sets out this adjustment. Do not forget to complete the Additional Sales Tax Rate Worksheet if the taxing unit adopted the additional sales tax on these dates.

39. 2015 rollback tax rate. Add Lines 31 and 38.	\$0.5058/\$100
40. COUNTIES ONLY. Add together the rollback tax rates for each type of tax the county levies. The total is the 2015 county rollback tax rate.	

A taxing unit that adopted the additional sales tax must complete the lines for the Additional Sales Tax Rate. A taxing unit seeking additional rollback protection for pollution control expenses completes the Additional Rollback Protection for Pollution Control.

#### ORDINANCE NO. O-2015-014

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF MAGNOLIA, TEXAS, APPROVING AND ADOPTING THE BUDGET OF THE CITY OF MAGNOLIA, TEXAS FOR THE FISCAL YEAR 2015-2016; MAKING APPROPRIATIONS FOR THE CITY FOR SUCH YEAR AS REFLECTED IN SAID BUDGET; AND MAKING CERTAIN FINDINGS AND CONTAINING CERTAIN PROVISIONS RELATING TO THE SUBJECT.

\* \* \* \* \* \*

WHEREAS, on the 3<sup>rd</sup> day of August 2015, the Mayor filed with the City Secretary a proposed budget of expenditures for the City of Magnolia for the fiscal year 2015-2016, the same being the fiscal year of the City; and

WHEREAS, after notice required by law, public hearings on such budget were held at the regular meeting place of the City Council on the 18<sup>th</sup> day of August 2015, and the 25<sup>th</sup> day of August 2015, at which hearings all citizens and taxpayers of the City had the right to be present and to be heard and those who requested to be heard were heard;

WHEREAS, the City Council has considered the proposed budget and has made such changes therein as in the City Council's judgment were warranted by law and were in the best interests of the citizens and taxpayers of the City; and

WHEREAS, the City Council now desires to approve and adopt the same;

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF MAGNOLIA, TEXAS:

Section 1. The facts and matters set forth in the preamble of this Ordinance are hereby found to be true and correct.

Section 2. The City Council hereby approves and adopts the general budget thereto described in the preamble of this Ordinance, a copy of which is attached hereto and made a part of this Ordinance for all purposes and which shall be filed with the City Secretary. The City Secretary is hereby directed to place on said budget an endorsement, which shall be signed by the City Secretary, which shall read as follows:

"The Original General Budget of the City of Magnolia, Texas, for the Fiscal Year 2015-2016"

Such budget, as thus endorsed, shall be kept on file in the office of the City Secretary as a public record. Further, it is directed that a true copy of the approved budget be filed in the office of the Montgomery County Clerk.

Section 3. In support of said budget and by virtue of the adoption thereof, including any and all changes adopted thereto, the several amounts specified for the various purposes named in said budget are hereby appropriated to and for such purposes.

Section 4. That City Council takes cognizance of the fact that in order to facilitate operations of the City and its various departments and activities and to make adjustments occasioned by events transpiring during the year, some transfer may be necessary to and from some accounts contained within the budget as originally adopted. Accordingly, should the City Administrator from time to time determine that transfers are necessary from unexpended funds, in one or more budget accounts to another budget account, and the same may be accomplished without creating a deficit in the requirements of any City Department or activity, he shall recommend such transfers to the City Council. Upon approval thereof by the City Council, an amendment sheet reflecting such transfer or transfers shall be attached to the budget as specifically adopted, whereupon the City Council shall treat such funds as if they had been thus budgeted in the first instance.

Section 5. That all ordinances of the City in conflict with the provisions of this Ordinance be, and the same are hereby repealed and all other Ordinances of the City not in conflict with the provisions of this Ordinance shall remain in full force and effect.

Section 6. City Council expressly repeals all previous budget ordinances and appropriations if in conflict with the provisions of this Ordinance. If a court of competent jurisdiction declares any part, portion, or section of this Ordinance invalid, inoperative, or void for any reason, such decision, opinion, or judgment shall in no way affect the remaining portions, parts, or sections, or parts of a section of this Ordinance, which provisions shall be, remain, and continue to be in full force and effect.

Section 8. This ordinance shall take effect immediately after its passage.

#### ORDINANCE NO. O-2015-015

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF MAGNOLIA, TEXAS, PROVIDING FOR THE ASSESSMENT, LEVY, AND COLLECTION OF AD VALOREM TAXES OF THE CITY OF MAGNOLIA, TEXAS, FOR THE YEAR 2015 AND FOR EACH YEAR THEREAFTER UNTIL OTHERWISE PROVIDED; PROVIDING THE DATE ON WHICH SUCH TAXES SHALL BE DUE AND PAYABLE; PROVIDING FOR PENALTY AND INTEREST ON ALL TAXES NOT TIMELY PAID; AND REPEALING ALL ORDINANCES AND PARTS OF ORDINANCES IN CONFLICT THEREWITH.

WHEREAS, Section 26.05 of the Texas Property Tax Code provides that by September 30, or as soon thereafter as practicable, the governing body of each taxing unit shall adopt a tax rate for the current year; and

WHEREAS, such Section further provides that where the tax rate consists of two components (one which will impose the amount of taxes needed to pay the unit's debt service and the other which will impose the amount of taxes needed to fund maintenance and operations expenditures of the unit for the next year), each of such two components must be approved separately; and

WHEREAS, the proposed tax rate for the current tax year of the City of Magnolia, Texas, consists of two such components; a tax rate of twenty six and fifty seven hundredths cents (0.2657) for debt service and a tax rate of nineteen and seventy two hundredths cents (0.1972) to fund maintenance and operations expenditures; and

WHEREAS, by separate motions heretofore adopted by the City Council of the City of Magnolia, Texas, at a meeting of said City Council held on this 28<sup>th</sup> day of August 2015, said City Council has set separately the tax rate heretofore specified for each of said components; and

WHEREAS, having thus separately approved the tax rate for each of such components, it is necessary and appropriate for the City Council to now formally pass, approve, and adopt a 2015 tax rate ordinance for the City of Magnolia; and

WHEREAS, all notices and hearings required by law as a prerequisite to the passage, approval and adoption of said tax rate ordinance have been timely and properly given and held;

# NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF MAGNOLIA, TEXAS:

- Section 1. The facts and matters set forth in the preamble of this Ordinance are found to be true and correct and hereby adopted, ratified and confirmed.
- Section 2. All property subject to ad valorem taxation by the City of Magnolia, Texas, shall be equally and uniformly assessed for such purposes at One Hundred Percent (100%) of the fair market value of such property.
- Section 3. There is hereby levied for general purposes and use by the City of Magnolia, Texas, for the year 2015, and for each year thereafter until otherwise provided, and ad valorem tax at the rate of nineteen and seventy two hundredths cents (0.1972) on each One Hundred Dollars (\$100.00) of assessed valuation on all property, real, personal, and mixed, within the corporate city limits upon which and ad valorem tax is authorized by law to be levied by the City of Magnolia, Texas. The proceeds from such tax shall be applied to the payment of the general and current expenses of the government of the City. All such taxes shall be assessed and collected in current money of the United States of America.
- Section 4. For the purpose of paying the interest on bonds, warrants, certificates of obligation, or other lawfully authorized evidence of indebtedness issued by the City of Magnolia, Texas, including the various installments of principal due on the serial bonds, warrants, certificates of obligation, or other lawfully authorized evidence of indebtedness issued by the City as such installments shall respectively mature, and for the purpose of repaying any sums borrowed in anticipation of current revenues for use in the payment of bonds and certificates of obligation and interest thereon maturing in the fiscal year 2015-2016, and for the purpose of paying interest and making provisions for the sinking fund on such other bond issues, warrants, certificates of obligation, or other lawfully authorized evidence of indebtedness as may be authorized, there is hereby levied for the year 2015 and for each year thereafter until otherwise provided, to be assessed and collected upon all property described in Section 3 of this Ordinance, an annual ad valorem tax at the rate of twenty six and fifty seven hundredths cents (0.2657) on each One Hundred Dollars (\$100.00) of assessed valuation.
- Section 5. All ad valorem taxes levied hereby, in the total amount of forty six and twenty nine hundredths cents (0.4629) on each One Hundred Dollars (\$100.00) of assessed valuation, as reflected by Section 3 and 4 hereof, shall be due and payable on or before January 31, 2016. All ad valorem taxes due the City of Magnolia, Texas, and not paid on or before January 31, 2016 following the year for which they were levied shall bear penalty and interest as prescribed in the Property Tax Code of the State of Texas.
- Section 6. All ordinances or parts of ordinances inconsistent or in conflict herewith are, to the extent of such inconsistency or conflict, are hereby repealed.

Ordinance No. 0-2015-015

PASSED AND APPROVED this 28th day of August 2015.

#### **Budgeting Process**

The City of Magnolia adopts an annual budget which is prepared on the modified accrual basis of accounting. Under the modified basis, revenues are recognized when they become measurable and available. Revenues are considered to be available when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, the government considers revenues to be available if they are collected within 30 days of the end of the current fiscal period. Expenditures are generally recorded when a liability is incurred. However, amounts expended to acquire capital assets are recorded as expenditures in the year that resources are expended. Also, amounts paid to reduce long-term indebtedness are reported as expenditures. Depreciation is not included in the budget.

The City of Magnolia's fiscal year runs from October 1 through September 30. The Mayor is responsible for producing the City's annual budget. The Finance Department monitors it throughout the year.

The annual process begins in early spring with a request for Council's budgetary goals. Department directors and supervisors present their requests for capital improvement/replacement items and any changes in employees, based on programs and priorities that Council has discussed or committed to in the past. The Mayor, City Administrator and Finance Department then compile a recommended budget based on projected revenues and expenditure trends from previous years. The first draft of the proposed budget is presented to Council in July, and at least one workshop is held which is open to the public. After hearing input from the public and the staff, Council has the chance to revise the budget to conform to its objectives.

Council proposes the property tax rate in early August. An additional workshop may be held then, too. Public hearings regarding the tax rate and proposed budget are held in August, and the final tax rate and budget are legally enacted through passage of an ordinance by the end of August.

The newly adopted budget takes effect on October 1. After that, the Mayor is authorized to transfer budgeted amounts between line items and departments within any fund; however, any revisions that alter the total expenditures of any fund must be approved by the City Council. Copies of the budget are available for review online or in the office of the City Secretary.

#### **Financial Policies:**

The City of Magnolia has a responsibility to its citizens to carefully account for public funds, to manage finances wisely, and to plan for the provision of services desired by the public. The City does not currently have formal financial policies in place; however, the following practices are used:

#### Accounting

The City maintains a high standard of internal controls and accounting practices. The accounting system maintains records on a basis consistent with accepted standards for local government accounting.

#### **Annual Reporting**

In accordance with Charter requirements, the City contracts for an annual audit by a qualified independent certified public accountant. The City uses generally accepted accounting principles in preparing its annual financial statements and strives to meet the requirements of the GFOA's Award for Excellence in Financial Reporting program. The City issues audited financial statements within 180 days after year end.

#### **Interim Reporting**

The City prepares and issues timely interim reports comparing actual revenues and expenditures to budgeted amounts. This includes online access to the City's financial management system by City staff, monthly reports to Council and staff and interim annual reports.

#### **Budgeting**

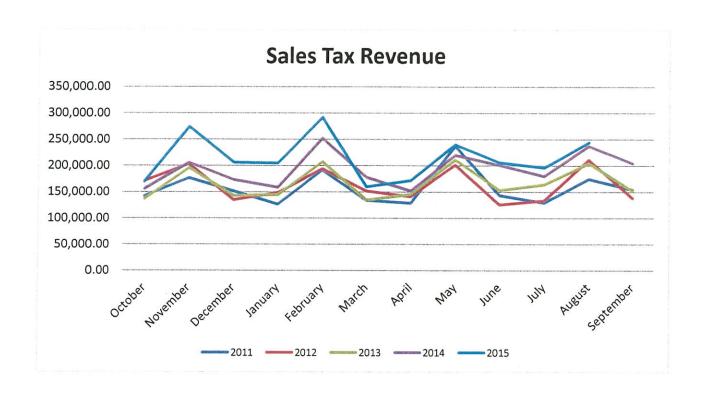

The City complies with all Federal, State or local legal requirements pertaining to the operating budget, including the adoption of a balanced budget. The budget is developed using a "budgeting by priorities" process. Essential services receive first priority for funding. The City attempts to maintain current service levels for all essential services. The budget is aligned with citizen priorities and getting the best value for each tax dollar.

#### Revenues

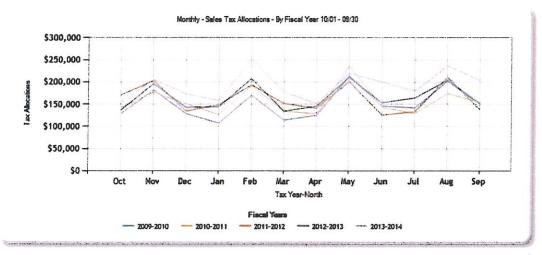

The City strives to maintain as diversified and stable a revenue system as permitted by state law to shelter it from short-run fluctuations in any one revenue source. Because revenues, especially those of the General Fund, are sensitive to both local and regional economic activities, revenue estimates provided to the City Council are conservative. The City estimates its annual revenues by an objective, analytical process using best practices as defined by the Government Finance Officers Association. The City establishes all user charges at a level that fully supports the total direct and indirect costs of providing the service and within policy parameters established by the City Council and reviews those fees to adjust for the effects of inflation and other factors as appropriate.

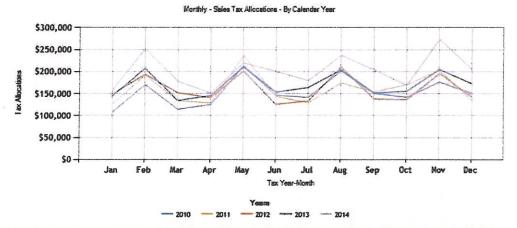

#### Capital Equipment

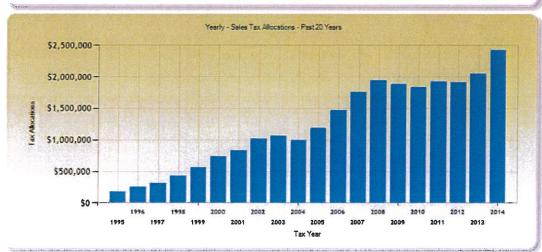

The City maintains all its assets at a level such that it protects the City's capital investment and minimizes future maintenance and replacement costs. The City determines the least costly financing method for all new projects.

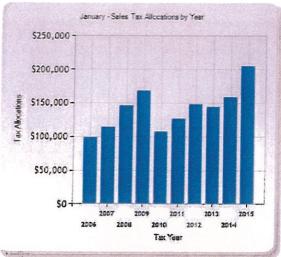

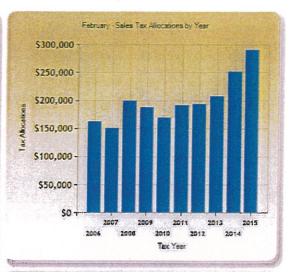

\*2015 is through August 2015

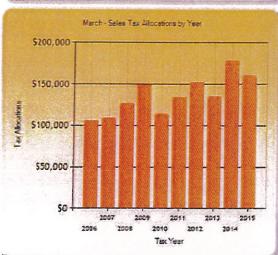

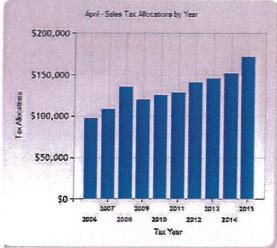

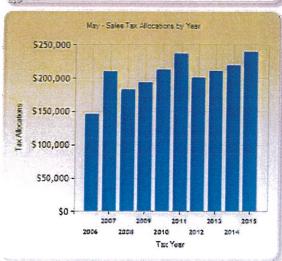

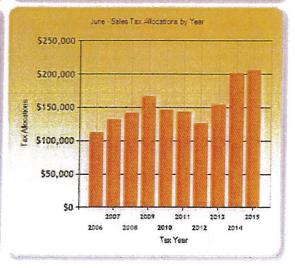

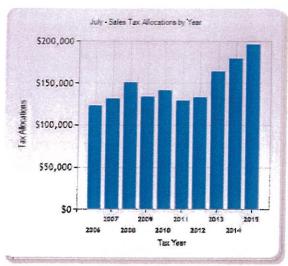

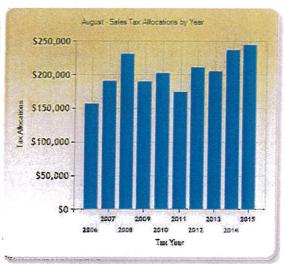

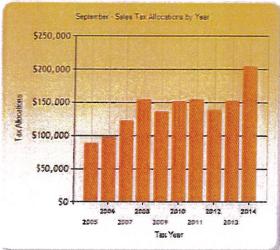

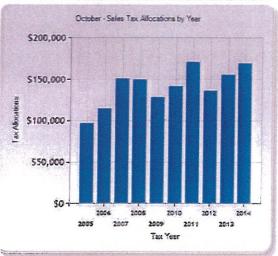

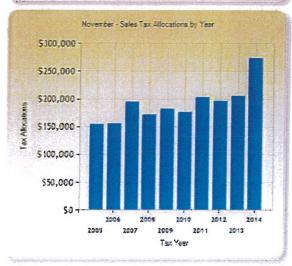

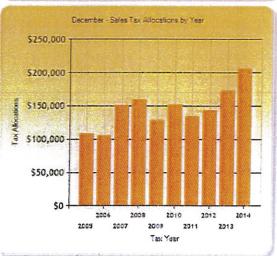

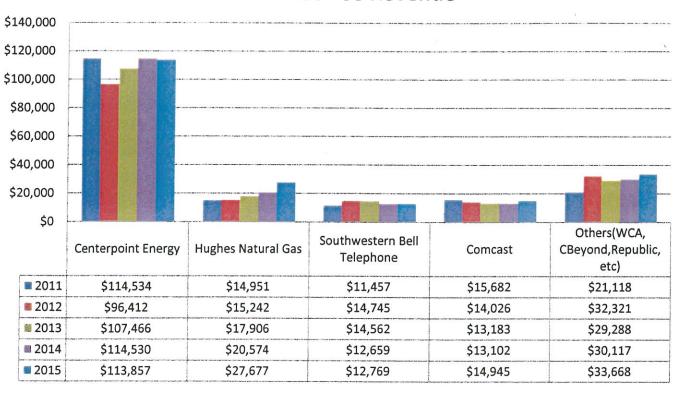

<sup>\*2015</sup> is through the end of August 2015.

	2014	2015*
Building Permits		
Residential M/H-Modular	\$190,401 \$6,625	\$127,437 \$7,000
Commerical	\$18,308	\$6,806
Electrical, Plumbing, Sign, Alarm, Licenses, HVAC	\$34,750	\$41,266

# Franchise Fee Revenue

2015\* is through the end of August 2015.

Franchise Fees are "rental fees". When utilities and other industries use city property to distribute their services, cities are permitted by law to collect franchise fees.

# Comprehensive Plan

In April 2013, the City of Magnolia adopted the first of its kind Comprehensive Plan which shows that the City is clearly focused on the future. At the top of its priority list are infrastructure improvements, transportation and connectivity. With a new town center outlined in the comprehensive plan, growth within the City is certain.

Kendig Keast Collaborative, an urban planning firm in Sugarland, has been working with the City and its comprehensive plan for almost three years. Capturing more than five miles in the City's extraterritorial jurisdiction ("ETJ") was just one parallel goal of the plan. Other accomplishments include utility upgrades and a Unified Code of Ordinances.

With the area's expected growth, infrastructure and transportation improvements are musts. But just as important is meeting the needs of entrepreneurs, start-ups and developers interested in becoming part of the progress and excitement that is Magnolia.

#### **Strategic Recommendations**

- Quality Appearance and Function
- Preservation of Community Character
- Destination for Housing, Entertainment, and Jobs

We have included the cover letter from the City of Magnolia's Comprehensive Plan as well as the two-page "Action Agenda". By reviewing it, you will see the intent and vision of city leaders who listened to the community.

May 10, 2013

Mr. Paul Mendes City Administrator City of Magnolia 18111 Buddy Riley Boulevard Magnolia, Texas 77354

Dear Mr. Mendes:

We are pleased to submit the City of Magnolia's Comprehensive Plan as unanimously adopted by City Council on April 9, 2013. The plan development process and final set of deliverables were completed in accordance with our Professional Services Agreement with the City.

As the tagline, "Magnolia on the Move," suggests, this Comprehensive Plan is only a snapshot in time for one of the fastest growing communities and regions in the country. Yet it serves as an overarching policy guide that is designed to influence growth and development for the next 20 years. The yearlong planning process garnered widespread participation and support of community stakeholders. In addition to City Council, Planning and Zoning Commission, and 4A/4B Community Development Corporation Board directives, this plan reflects guidance from stakeholder interviews and focus groups; five work sessions with a Comprehensive Plan Advisory Committee; a joint elected and appointed official workshop; and a public hearing.

As a result of community input, we were able to define Magnolia's vision and identify specific implementation strategies. This plan describes the community's needs and aspirations related to land use and community character; growth management; transportation and utility infrastructure; parks and amenities; housing and neighborhoods; and revitalization of the Magnolia Town Center. As the City moves forward, implementation will require the commitment of the entire community – especially its City officials and staff – to champion the plan's vision and action agenda.

On behalf of my firm, it has been a pleasure working with residents, business owners, and City staff. I sincerely appreciate the opportunity to lend our comprehensive planning and implementation experience to this process. We look forward to witnessing Magnolia's continued success and enhancement in the years ahead.

Respectfully submitted,

Bret C. Keast, AICP

President

# Glossary

**Accrual Basis** – The basis of accounting under which transactions are recognized when they occur, regardless of the timing of related cash flows

Ad Valorem – Latin for "value of". Refers to the tax assessed against real (land and buildings) and personal (equipment and furniture) property

Annual Budget - A budget applicable to a single fiscal year

**Balanced Budget** – A budget in which the total of estimated revenues, income, and funds available is equal to or in excess of appropriations

Capital Outlays - Expenditures which result in the acquisition of or addition to fixed assets

Comprehensive Annual Financial Report (CAFR) – The published results of the City's annual audit

**Debt Service** – The annual amount of money necessary to pay the interest and principal (or sinking fund contribution) on outstanding debt

**Debt Service Fund** – A fund established to account for the accumulation of resources for, and the payment of, general long-term debt principal and interest

**Department** – Separate branch of operation in the organization structure

Enterprise Fund — A fund established to account for operations (a) that are financed and operated in a manner similar to private business enterprises—where the intent of the governing body is that the costs of providing goods or services to the general public on a continuing basis be financed or recovered primarily through user charges; or (b) where the governing body has decided that periodic determination of revenues earned, expenses incurred, and/or net income is appropriate for capital maintenance, public policy, management control, accountability, or other purposes. Examples of Enterprise Funds are those for water, gas, and electric utilities; swimming pools; airports; parking garages; and transit systems

**Fiscal Year** – A 12-month period to which the annual operating budget applies and at the end of which a government determines its financial position and the results of its operations. The City of Magnolia's fiscal year begins each October 1<sup>st</sup> and ends the following September 30<sup>th</sup>

**Fund** — A fiscal and accounting entity with a self-balancing set of accounts recording cash and other financial resources, together with all related liabilities and residual equities or balances, and changes therein, which are segregated for the purpose of carrying on specific activities or attaining certain objectives in accordance with special regulations, restrictions, or limitations

**Fund Balance** – The fund equity of governmental funds and Trust Funds. The difference between governmental fund assets and liabilities; also referred to as fund equity

**General Fund** – The fund used to account for all financial resources except those required to be accounted for in another fund

# Glossary (cont.)

Generally Accepted Account Principles (GAAP) – Uniform minimum standards of and guidelines to financial accounting and reporting. They govern the form and content of the basic financial statements of an entity. GAAP encompasses the conventions, rules, and procedures necessary to define accepted accounting practice at a particular time. They include not only broad guidelines of general application, but also detailed practices and procedures. GAAP provides a standard by which to measure financial presentations. The primary authoritative statement on the application of GAAP to state and local governments is NCGA Statement 1. The objectives of governmental GAAP financial reports are different from and much broader than the objectives of business enterprise GAAP financial reports.

**Governmental Accounting Standards Board (GASB)** — The authoritative accounting and financial reporting standard-setting body of governmental agencies

Long-Term Debt - Obligation of the City with a remaining maturity term of more than one (1) year

**Operating Budget** – Plans of current expenditures and the proposed means of financing them. The annual operating budget is the primary means by which most of the financing acquisition, spending, and service delivery activities of a government are controlled. The use of annual operating budgets is usually required by law.

**Special Revenue Fund** – A fund used to account for the proceeds of specific revenue sources that are legally restricted to expenditure for specified purposes

Tax Rate – The amount of tax stated in terms of a unit of the tax base; for example, 25 cents per \$100 of assessed valuation of taxable property
