Section 3. Abatement; collection of expenses by City.

(a) *Notice to owner.* Should the City health officer or other designated representative determine that a nuisance exists on any lot or parcel of real estate within the City, written notice shall be given to the owner of the lot upon which the nuisance exists. Such notice shall identify the nuisance, identify the property upon which the nuisance exists, and direct the owner to take such action as the City deems reasonable, appropriate and necessary to remove the nuisance. Such notice shall be delivered personally to the owner in writing, by letter addressed to the owner at the owner's address as recorded in the records of the Montgomery County Appraisal District, or, if personal service cannot be obtained, by publication at least once in the City's official newspaper, by posting the notice on or near the front door of each building on the property to which the violation relates, or by posting the notice on a placard attached to a stake driven into the ground on the property to which the violation relates, if the property contains no buildings.

(b) *Abatement by City.* If the owner fails or refuses to remove the nuisance within seven (7) days following notice as provided in subsection (a) of this section, the City may do or cause to be done that which will abate such public nuisance, and may pay therefor, and charge the expenses incurred in doing such work or having such work done or improvements made to the person who owns such lot or building. If such work is done or improvements made at the expense of the City, then the expenses shall be assessed on the real estate or lot for which such expense was incurred. In a notice provided under subsection (a) of this section, the City may inform the owner by regular mail and a posting on the property that if the owner commits another violation of the same kind or nature that poses a danger to the public health and safety on or before the first anniversary date of the notice, the City without further notice may correct the violation at the owner's expense and assess the expense against the property. If a violation covered by such notice occurs within the one-year period, and the City has not been informed in writing by the owner of an ownership change, then the City without further notice may cause the work to be done or make the improvements required, and pay for the work done and improvements made and charge the expenses to the owner as otherwise provided herein.

(c) *Collection of expenses.* The mayor, City health officer or City official designated by the mayor shall file a statement of expenses giving the name of the owner, if known, the amount of such expense, the date on which such work was done, and the legal description of the premises upon which such work was done or improvements made with the county clerk. The City shall have a privileged lien on such lot or real estate upon which such work was done, or improvements made, to secure the expenditures so made, in accordance with V.T.C.A., Health and Safety Code, Chapter 342, which lien shall be second only to tax liens or liens for street improvements, and which amount shall bear interest at the rate of ten percent (10%) per annum, from the date of payment by the City. For any such expense and interest, suit may be instituted and recovery and foreclosure of such lien may be had in the name of the City, and the statement of expenses so made, or a certified copy thereof, shall be prima facie proof of the amount expended for such work or improvements.

Section 4. Penalty. Any person who shall violate any provision of this Ordinance shall be deemed guilty of a misdemeanor and, upon conviction, shall be fined in an amount not to exceed \$2000. Each day of violation shall constitute a separate offense.

Section 5. Severability. In the event any clause phrase, provision, sentence, or part of this Ordinance or the application of the same to any person or circumstances shall for any reason be adjudged invalid or held unconstitutional by a court of competent jurisdiction, it shall not affect, impair, or invalidate this Ordinance as a whole or any part or provision hereof other than the part declared to be invalid or unconstitutional; and the City Council of the City of Magnolia, Texas, declares that it would have passed each and every part of the same notwithstanding the omission of any such part thus declared to be invalid or unconstitutional, whether there be one or more parts.
