ENERGY CONSERVATION CODE 2018 AND 2018 ELECTRIC CODE USED BY CITY

Electrical material used will be of the approved type & electrical work shall be in accordance with the City Ordinance & latest adopted edition of the National Electrical Code Book. No alterations or additions shall be made in the electrical system without written permission from this office.

NO REFUNDS

For new service, you must pass electric inspection before contacting the city to release permit to CenterPoint.

DOUBLE FEES: All electrical permit, inspection fixture and appliance fees shall apply; except that if any person shall make an application for a permit as provided in this division, after the work has been started or after the work has been partially completed, such person shall pay double the fee or fees which would ordinarily be required on all permits.

RE-INSPECTION: Should the Electrical Inspector be asked by the permit holder to re-inspect the work, and upon attempting to re-inspect finds that the work is not ready for inspection, there shall be a \$70.00 re-inspection fee.

I, the undersigned, in consideration of the City of Magnolia issuing to me the following permit, do herewith agree that I will abide by, observe, and fulfill all applicable Building, Plumbing, Sanitation, Fire Prevention, Electrical Wiring, Safety and Health Ordinances, Codes and Laws of the City of Magnolia, County of Montgomery, and the State of Texas.
