

NOW HIRING!

The City of Magnolia is a flourishing community that is part of one of the fastest growing counties in America. Magnolia is located at the junction of FM 1774 and FM 1488, approximately 45 miles northwest of Downtown Houston. Currently, the greater Magnolia area has an estimated population of 138,000. As an emerging city with increasing residential and commercial development, there will be multiple opportunities for career advancement. Currently we are a 17 officer agency but will continue to add positions to mirror the city's growth. We work in a pro-law enforcement community with a responsible, ethical, and aggressive District Attorney's Office. The goal of the Magnolia Police Department is to recruit self-disciplined and forward-thinking individuals who seek to be part of a progressive agency.
